Students, this is a reminder that the nurse is located in the C Building downstairs. Our staff is available for medical needs and the counseling team for mental health and academic advisement needs?

Attention students! Please remember that you must check out of the attendance office or nurses office before leaving campus. If you just leave campus without a pass you will automatically be unexcused. No exceptions. Also we are in the third quarter which means you really need to pay attention to any absences full day or period absences that need to be cleared. Unexcused absences can give you a "Unsatisfactory" citizenship which can affect you participating in extra-curricular activities and/or walking the stage. Feel free to come by the attendance office to check on your attendance.

ATTENTION JUNIORS! Would you like to go to beauty college for FREE? California Beauty College and North Adrian's College of Beauty will be testing interested juniors in April. If accepted, classes will begin in June. Come by the career center for more information.

Seniors, have you signed up for the Senior Grad Bash? Busses are filling up fast so pick up your permission slip in the SBO and be ready for the foundation to be here on campus one last time on the 20th to take your payment of \$125.
