

ENOCHS HIGH SCHOOL WINGSPAN YEARBOOK

SENIOR PHOTOS 2019

CLASS OF 2019 REQUIREMENTS—PHOTOS DUE OCTOBER 1, 2018

Please provide your yearbook photographer with the portrait guidelines below. Photos deemed out of compliance will NOT be accepted.

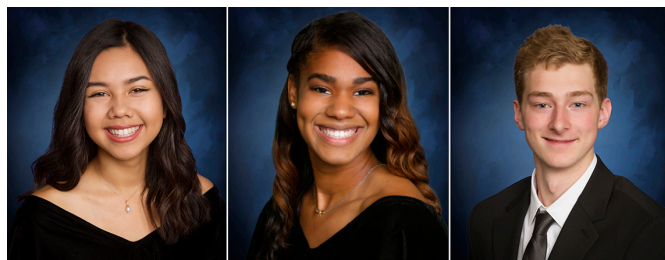

If you missed the senior summer photo shoot, then you are running out of time! Plan now for senior portraits to be included in the 2019 Enochs High Yearbook. Portraits must meet the exact specifications set by the yearbook staff and (if shot at a studio other than Shoob) be received **no later than October 1, 2018**.

Shoob Photography is our Official Senior Photographer (4640 Spyres Way, Modesto, 567-0748). While the decision to choose a senior photographer is entirely yours, Shoob Photography offers excellent studio portrait packages for and follows the exact yearbook specifications for all yearbook portraits. Call to schedule a studio appointment and take advantage of early-bird discounts and packages for multiple outfits, settings, etc. At the studio you will get more time and attention on your yearbook portrait, as well as have other options available for a complete portrait package experience. Studio sitting fees apply. If you wish to have **ONLY** a yearbook portrait taken, but missed the summer senior portrait shoots, Shoob will be taking **FREE senior yearbook portraits on campus October 17, 18 & 19**. Details will be announced in the fall for remaining seniors to be photographed for the yearbook. These photos are taken during school hours and are, therefore, restricted by the time constraints of those scheduled time slots. Time with the photographer is limited (less than 5 minutes).

Yearbook portraits taken by Shoob are guaranteed to meet the EHS yearbook requirements listed below and will be submitted by Shoob by the scheduled deadline. While we prefer that Shoob Photography take your yearbook photo, if it is taken elsewhere, you **MUST** present the photographer with the specifications below to ensure that the exact requirements are met. If your image does NOT meet these specifications, you will have to get another photograph that meets the requirements by the deadline to be pictured in the yearbook.
