Dear Prospective AP / Pre-AP Students and Parents:

Students and Parents need to be cautious when selecting next year's academic program. The goal is to develop a program that is challenging but not overwhelming. It is a delicate balance.

We are in the process of scheduling students for the 2018-19 academic school year. Enochs High faculty, counselors, and administrators are carefully working to create a master schedule that meets the requests and needs of ALL students. In order to facilitate this undertaking, it is imperative that parents and students understand the following commitments:

- **Failure to turn in the ADVANCED PLACEMENT / PRE-A.P. "Letter of Commitment and Understanding" TO THE OFFICE OF ASSOCIATE PRINCIPAL Michael Shroyer IN THE "A" BUILDING by MAY 11<sup>TH</sup>, 2018** may result in my AP/Pre-AP course request being changed.
- Failure to complete my summer assignment can/may affect my 1<sup>st</sup> semester grade in 2018-19.
- I understand that this is a **YEAR-LONG** course and I am committed to this undertaking. I have reviewed my course requests for 2018-19 and have considered all my commitments (both at school and outside school).

**PLEASE NOTE:** Students will be notified by mail this summer, but no later than June 14<sup>th</sup>, as to which AP / Pre-AP course(s) they have been enrolled in. If you do not receive this notification, or if you have any questions, please contact Associate Principal Michael Shroyer via email: Shroyer.m@monet.k12.ca.us

**STUDENT/PARENT COMMITMENT AND UNDERSTANDING STATEMENT**

**I understand and affirm that I have registered for and am committed to completing my requested Advanced Placement and/or Pre-AP class(es). I am responsible for any and all summer reading, projects, and homework. In addition, I will make every effort to take the AP test in May of 2019. I realize that these are very rigorous, college-level courses. I have also considered the total workload attached to these classes in light of my other commitments and activities. I attended the AP Parent Information Night and/or reviewed the AP Parent Information Night PowerPoint presentation posted on the school website**
